DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents****To Whom It May Concern:**

Although it is much appreciated that Applicant has tried to respond to the non-compliant response dated 09/11/06, it appears to be misunderstood. The Examiner has tried several times to contact Applicant but has been unsuccessful to remedy this matter. As confirmed by Applicant's response, Applicant has chosen to elect Group II Claims 18-29, however the missing or non-compliant part is that Applicant did not further elect a species as shown in paragraph 4 of the office action dated 05/18/06. Therefore, please elect a species from the following:

- (a) a foam or
- (b) a fiber/fibrous or
- (c) a film.

Since the above-mentioned reply appears to be bonafide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1, 136(a)2.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ms. Arti Singh whose telephone number is 571-272-1483. The examiner can normally be reached on M-F 9-7pm. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Terrel Morris can be reached on 571-272-1478. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
